

Unleashing technology,
Creating world-class agripreneurs.

Kashyap Kumar
Director Human Resources, Sales and Marketing

Kashyap Kumar is Founder, Investor, and Director Human Resources, Sales and Marketing of Agritech Enablers.

Kashyap has over 32 years' experience in leadership and operations, 25 of which was in the Indian Navy and the rest as COO for two different BPOs, an IT Company, a high-end Pashmina manufacturer and exporter and selling tractors in the rural North.

In the Indian Navy Kashyap was mostly involved in operations on various ships including the aircraft carrier INS Vikrant. He has served in Mauritius and with the UN in Somalia. He commanded the Large Landing Ship INS Gharial.

Kashyap set up the sales and maintenance network in 3 states for SAS Motors which assembles and sells Angad tractors. As COO in various BPO's he spearheaded innovation, quality, process improvement, delivery and client servicing.

Kashyap is an alumnus of The Mayo College, Ajmer, class of 75, National Defence Academy (NDA), Khadakvasala class of 79 and the Defence Services Staff College, Wellington, class of 94.

Kashyap can be reached at kashyap.kumar@agritechenablers.in.
